

Pinoy from the Philippines
Do not depress.

Face up! raise the voice.

- 1, There is no labor contract, and work is updated or it is uneasy.
- 2, Dangerous workshop without place where having the meal.
- 3, Threat is said, saying that "If it is unpleasant, stop it".
- 4, The company thinks unpaid overtime work to be no bad.
- 5, Abuse is beaten with the stupid and the Blockhead by the president.

Labor Standards Law (1947)

- 1. Principle of working condition**
 Fill the necessity to lead the person barrel life worth about the working condition.
- 2. Equal labor and management's principle**
 Labor and management must be equal the decision of the working condition. Observe both of the result.
- 3. Principle of parity of treatment**
 Do not discriminate the working condition by worker's nationality, creed, and social position.
- 4. Principle of equal pay between both sexes**
 Do not discriminate pay compared with the boy because it is a girl.
- 5. Principle of forced labor prohibition**
 Do not compel the labor that the worker doesn't want by the assault and the threat, etc.
- 6. Principle of intermediary exploitation exclusion**
 Do not obtain an advantage intervening the others' starting work
- 7. Principle of security of civil rights exercise**
 When the worker claims time in the working hour necessary for the exercise of right as the citizens, the user cannot refuse.

We want to improve 5 embarrassed main points.

The president is a small business administrator. Surely, it is annoyed by the pressure of the major company.

We want to propose that work goes better more. We are not destroyer.

We, Organization that defends worker's fundamental human rights. we negotiates with the manager in place of you.

Do you want to participate?

Write where to make contact. . .

Are you embarrassed ..what..?

Write concretely.
